

THE PEOPLE WE SERVE

MacGregors... For almost 20 years MacGregors has served Western NY a diverse menu of delicious pub food along with the largest selection of craft beers available. Working with the local owner, we have created the perfect venue to watch any televised event. All the top DirecTV® packages like NFL Sunday Ticket and NHL Center Ice are always on their large flat panels. We also use the DirecTV® commercial-free music service Sonic Tap, mixed with the jukebox, for maximum audio versatility. In most of their locations we have installed smart master remotes so the entire system can be run by one small handheld device saving time and frustration. *Today's top technology...at your fingertips.*

Thomas Creek Ice Arena... At Thomas Creek we worked with the owner to satisfy a need for more traffic in his pub at the ice arena. We showed him how to attract and keep patrons around longer by having sports on the televisions, particularly hockey from Center Ice. Now parents choose to not simply drop off their children but rather to stay and enjoy the pub for a bite to eat or their favorite beverage while catching their favorite game.

Bill Gray's... At their tap rooms in the MVCC Ice Arena and Brockport Sports Pub, the Allstar Team installed a complete DirecTV® system which provides a huge menu of sports including NFL Sunday Ticket and NHL Center Ice. They have invested in many large flat panels so every seat is a good one to enjoy a burger and beer along with the Big Game. Family owned and operated, they provide a family-friendly atmosphere.
